

Volume 28, Issue 31**Conference Announcement****MIR@Warwick day on networks in application to economics**

Location : University of Warwick, Department of Mathematics

Organizers : Myrna Wooders

Major Topics : networks, pricing of networks, congestion

Conference Dates : 4/30/2001 to 4/30/2001

Submission Deadline : 3/12/2001

Send Submissions To : M.Wooders@warwick.ac.uk

Sponsoring Organizations : University of Warwick Mathematical Interdisciplinary Research Center

MIR@W Day On Networks in Economics and Mathematics (Mathematical Interdisciplinary Research at Warwick day) Preliminary Announcement On April 30th, 2001, the University of Warwick Department of Economics and Department of Mathematics will hold a "Mathematics Interdisciplinary Research at Warwick Day" on Networks in Mathematics and Economics. Participants so far include: Bhaskar Dutta, Department of Economics, University of Warwick and Indian Statistical Institute (dutta@isid.ac.in). Kaylan Chatterjee, Department of Economics, Pennsylvania State University, (<http://econ.la.psu.edu/chatterjee.htm>). Sayantan Ghosal, Department of Economics, University of Warwick (<http://www.warwick.ac.uk/fac/soc/Economics/ghosal/>). Frank Kelly, Department of Pure Mathematics and Mathematical Statistics, Cambridge University. (<http://www.statslab.cam.ac.uk/~frank/>). Sverrir Olafsson, BT Laboratories (<http://www.labs.bt.com/projects/complexity/sverrir/>). The MIR@W days typically start at 1:00 pm and end at 6:00 pm with a reception. If there is sufficient interest, we may start earlier and make it a complete day. If you are interested in attending or presenting a paper, please get in touch with the organiser, Myrna Wooders (Department of Economics, University of Warwick) at M.Wooders@warwick.ac.uk or 02476 523 796. s of this announcement will appear on the University of Warwick, Department of Economics web site at <http://www.warwick.ac.uk/fac/soc/Economics/>.
