ERC, Economic Research Center, is an independent research organization at the Department of Economics, Middle East Technical University (METU). The METU Conference in Economics, organized by erc, aims to provide a forum for the exchange of research results on the theory and practice of economics. We expect the conference to contribute to scientific contacts and cooperation among scholars. The program will consist of keynote addresses, invited lectures, contributed papers, and panel discussions that represent a broad spectrum of applied and theoretical economics, econometrics, and related fields. Papers written in English or Turkish are all welcome. For more info:
