FIRST ANNUAL SINGLE GLOBAL CURRENCY CONFERENCE - 7/9/2004 The Single Global Currency Association will hold the first annual Single Global Currency Conference on Friday, July 9th, 2004, at the Mt. Washington Hotel, Bretton Woods, New Hampshire, USA. It will meet in the conference room across the hall from the room used 60 years previous for the 1944 Bretton Woods Conference. This first annual conference will be followed by successive annual conferences at Bretton Woods until the single global currency is implemented, with a global central bank. The goal of the Association is implementation by 2025. The initial speaker will be John Edmunds of Babson College, USA, who wrote "Wealth by Association" with John Marthinsen, also of Babson. Other speakers will be expected to discuss: the benefits of the single global currency, the current status of monetary unions, the route(s) to the future implementation of the single global currency, and what the financial world will look like with a single global currency. To the extent that there may be disadvantages, they will be discussed in the context of the overall benefits and together with the means to be used to make up for those perceived disadvantages. The conference will have ample time for informal discussions. While initially planned to be a one-day conference, it may be extended into Saturday, July 10, depending upon interest among participants. For those who wish to make a presentation, please contact the Single Global Currency Association at [people@singleglobalcurrency.org](mailto:people@singleglobalcurrency.org). When feasible, papers by the presenters will be posted on the Association's web site, [www.singleglobalcurrency.org](http://www.singleglobalcurrency.org). The agenda for the conference will be posted as well. To register for the conference, please send email to the Association at [people@singleglobalcurrency.org](mailto:people@singleglobalcurrency.org) along with a fee of 20.04 dollars or euros or equivalent cash or money order in any currency you wish, to P.O. Box 390, Newcastle, ME 04553, USA. Lodging will be on the "Modified American Plan", including breakfast and dinner. The Association will provide lunch. The rates are \$299 for a one person room, plus 8% room tax for a total of \$322.92. For double occupancy, the rate is \$379.00 per room per night, or \$189.50 per person (\$409.32 and \$204.66 respectively, including the 8% tax.) All of these rates include an 18% gratuity for the meals portion. Reservations must be made by email by contacting Jeannette Mical at the Mt.
