CALL FOR PAPERS The 15th annual meetings for the Society for Economic Dynamics will be held in Florence, Italy, on July 1st to 3rd, 2004. The program will be made up from a selection of invited and submitted papers. The Society welcomes submissions for the program. Submissions may be from any area in Economics. The program committee will select the papers for the conference. As well as considering individual papers for the conference, the program committee will also entertain suggestions for four-paper sessions. The deadline for submissions is February 15, 2004. The details are at <http://www.economicdynamics.org/currentSED.htm>
