The European Economic and Finance Society (EEFS) is organizing its 6th Annual International Conference on "European and Global Integration: Underlying Causes, Issues Arising and Formulating Economic Policies" to be held in Sofia, Bulgaria on 31st May – 3rd June 2007. The organisers of the conference welcome theoretical as well as empirical contributions focusing on issues of European and Global Integration, as well as, on formulating relevant economic policies. It is envisaged that a number of papers from this conference will be published in special issues/volumes or sections of established journals in the months following the conference. Papers (with a maximum of 20 pages) should be written in English as all sessions of the conference will be held in English. Abstracts (with no more than 200 words containing JEL classification codes) should be sent electronically to the scientific committee of the conference as attached files (doc or pdf format) at the address eefs@eap.gr no later than March 1st, 2007. The authors should indicate their full name, affiliation, address, phone/fax, and e-mail for correspondence. After a refereeing process, authors will be notified regarding the acceptance of their papers. The deadline for the final paper submission is 10th May 2007. Further information about the conference and the EEFS is available on <http://www.eefs.eu> For the organizing committee Prof. George M. Agiomirgianakis President of EEFS
